

## Required Documents and Information

### Student Waiver | Volunteer Waiver

#### ★ Student Waiver.

- Students participating in any activities associated with The Digital Bus are required to have the (A-1) Student Waiver signed by a parent/guardian. Students lacking this form will not be allowed on the bus or handle any Digital Bus equipment.
- Teachers, please fill out the appropriate section asking for your name and class PRIOR to printing copies for your students.

#### PHOTO RELEASE AND ETHNICITY SURVEY

- These are included on the waiver, but are optional. They are, however, much appreciated for continued awareness and funding of our programs. Any students that are not released for photographs must be made aware to the Digital Bus staff to ensure no photos are taken of them.

#### ★ Volunteer Waiver.

- Volunteers/chaperones (including teaching staff) are required to turn in this form to board the bus or handle equipment.

#### ★ Other Information.

- All forms are due on our pre-event meeting (dates TBD, usually a few days prior to the project start date).
- Please email class lists ASAP including gender.
