## Waiver for Parent/Guardian

Parents/Guardians must read and sign this form prior to their child participating in a Digital Bus Science Project. Teachers are responsible for distributing and collecting this form.

Dear Parent/Guardian:

Your child has the opportunity to participate in a science project with The Maui Digital Bus. Our mission is to cultivate skills and interest in science and technology among the youth of Maui Nui.

During a Digital Bus Science Project, your child will utilize cutting edge technology and science equipment on board the Digital Bus and/or in the regular classroom environment. Some projects involve field-based research, in which case the classroom teacher will provide additional field trip permission forms and transportation arrangement information. The Digital Bus does not transport children. It is a mobile science and technology classroom which students use only while the bus is parked.

Please read the following information and sign the bottom to allow your child to participate in this Digital Bus Science Project.
