This Program is funded by NOAA Pacific Services Center B-WET Hawai'i Program and is sponsored by Maui Coastal Land Trust in partnership with Akimeka's Digital Bus.

Waihe'e Watershed Investigation & Restoration:
A Year Long Professional Development Program for Teachers of Grades 6-8

Program Components:

- A Five Day Summer Workshop – "Coastal Waihe'e Field Studies using GPS & Digital Tools"
- Yearlong Online Support
- A Three Day Mid-year Workshop – "Visual Representation of Student Data Collected at Coastal Waihe'e"
- A One Day Final Event – "Presentation of Waihe'e Reserve Studies by Students & Teachers"

Participating Teachers Receive:

- \$1000 Stipend (50% upon completion)
- Funding for Bus Transportation of Students to Field Site & Substitute Reimbursement

Available to:

Teachers at Maui Waena and Kalama Intermediate Schools.

Team Preference:

All teachers are encouraged to apply, however preference will be given to interdisciplinary teams that apply together.

June 12th Deadline:

Teachers must submit an application to MCLT prior to the deadline.
